4	WHITE-CORONAVIRUS MCU of Anchor w/ OTS	<u>ALEXANDRIA</u> The Wuhan Coronavirus has made landfall in the United States, and few Texas colleges have released statements regarding campus health. There was a suspected case of the coronavirus at Texas A-and-M University, and one student, who recently returned from China, was tested. Health officials at Texas A-and-M state the test results are negative. Neighboring university, P-V-A-M-U, has informed its students that their campus is safe as well as of February 3rd. There have been no confirmed cases of the coronavirus in Houston or the surrounding area. For more information on the outbreak and tips to remain safe, visit C-D-C dot gov.	4
